WORK EXPERIENCE

Team Lead   2023 - 2024
BPO & Web Design
Elpizo Technologies Pvt Ltd., Viayawada

- Led and mentored web design team in mastering WordPress development and crafting professional websites utilizing no-code solutions like WordPress and Webflow alongside building responsive websites from scratch using HTML, CSS, and JavaScript.
- Planned and executed website development projects with meticulous attention to detail, adhering to strict deadlines and budget constraints.
- Provided comprehensive training for BPO executives supporting an OPD-covering client, ensuring their project knowledge and success.

Assistant Systems Engineer Trainee   2021 - 2023
Tata Consultancy Services, Mumbai

- Enhanced application functionality to service requests for new feature implementations, ensuring efficient trade processing workflows by collaborating with business stakeholders and translated the requirements into basic code using Visual Basic and Oracle PL/SQL.
- Supported diverse environments by providing functional support across Staging, User Acceptance Testing (UAT), and Production environments, ensuring smooth application operation.
- Offered support to team members, promoting continuous learning and professional development.

EDUCATION

Bachelor of Technology in Electrical and Electronics Engineering   2017 - 2021
Shri Vishnu Engineering College for Women, Bhimavarm.
